

PRESIDENT'S MESSAGE....

The summer is in full swing and will be gone before you know it. I hope you are taking advantage of spending time with your family and friends. Our plan for the summer is to get your response in to the online survey that we are compiling. This survey will help guide the board's decisions in the upcoming months, so please take the time to fill it out.

The cook-out was very pleasant (a little humid, but very tasty food), and we thank Tim Marion, Steve Blake, and Jason Smith for being the chefs for the group.

I attend the Southeast planning group's meeting and met with Guilford County's Planning Director, Greg Niles, who spoke to the group about upcoming area plan concerning our area. I think that one of the ways we can be effective is to work with Planning Department and communicate our needs for the Southeast area. It makes a difference when we work together as a group.

And last, we need to form a nominating committee for a slate of officers for the next two years. Let us know if you are interested in serving in that capacity. Stay well, and give us your input.

Enjoy!

Premier CEO Named North Carolina's Person of the Year

Willie Combs, Premier Federal Credit Union's CEO, was recognized as North Carolina's Credit Union Person of the Year at the North Carolina Credit Union League's 72nd Annual Meeting held June 10-13 in Pinehurst, NC. Award winners were announced at a special banquet held Monday evening, June 11.

Receiving the Ronald J. Hutchins Credit Union Person of the Year Award is one of the highest honors members of the credit union profession can receive. The award is given each year to an individual in recognition of his/her outstanding accomplishments, time and effort given in support and promotion of the credit union ideal.

Willie Combs' accomplishments over the past 21 years range from implementing a home equity loan program in 1987, to the acquisition of the largest merger partner in North Carolina history in 2004.

While beginning her career as a teller in 1986, Willie worked diligently to grow with the credit union and was named President/CEO of Premier FCU in January 2002. Willie was also responsible for implementing Premier's checking and ATM programs, which have been essential to our current success!

We wish to congratulate Willie on this high honor!
