

JANUARY NEWSLETTER

Presidents Message:

Hello everyone! Happy New Year!

I hope everyone had a great Christmas and were able to have a little time off to spend with family and friends. Now, on to 2010. This will be the year I think we will all start seeing some recovery in the economy. Hopefully, we all made the necessary changes to help us be successful going forward.

I am so proud to be involved with the Southeast Community Business Association. Our group has a vast amount of talent and services for all of us to use. We should all try to do business with a member or refer a member to someone we know first.

I feel we have only scratched the surface with our membership numbers. We have around 85 member companies now and there are so many more in the southeast area that should be members. Larger membership will give us great opportunities such as more referrals for our business and a larger audience to tell our story to. I challenge everyone to make it a goal to recruit one company to join us this year. I also encourage everyone to get involved and give the board feedback on what we could do to make us better and more useful to you.

What a great deal we get with our membership. Let's all use it to help everyone succeed.

Member Spotlight

Angelia's Pizza has two locations, both owned by Bill and Kathy Dudich. They opened in Climax in 2003 and at Forest Oaks in 2008.

They make their own pizza dough and have received a 5-star rating from their customers. Their menu also includes a variety of Italian items, including hoagies, wedgies and calzones. Other popular items are wings and salads. They now offer 100% Angus beef burgers as well.

They are proud to be corporate sponsors for both SE Guilford and Providence Grove high school booster clubs.

Check out their website at NCangelia'spizza.com for a complete menu listing. They deliver from both locations. ***Kathy says mention this spotlight and receive \$2.00 off your next order.***
