President's Message

In September the SECBA Business Directory was printed in the Southeast Lifestyle. Your Board would be very interested in receiving any feedback on the directory. Do you believe that your business received a new contact or new customer as a result of the directory? The SECBA Board looks for opportunities that will promote your businesses in a positive manner, so suggestions are welcomed. There were extra copies printed of the business directory, so let me know if you need additional copies. There will be copies available at the October meeting. Let's continue to pass out these directories throughout the community.

The SECBA Board has the meetings for 2011 planned, but it is not too early to start planning for the 2012 meetings. If you know of speaker that you believe the membership would find of interest, please provide the information to a board member.

Don't forget the SE Community Fun Fest on October 8th at Hagan Stone Park.

Hope to see you at the next meeting.
