“Table Toppers”

President’s Message

In September we celebrate Labor Day, which we normally think of as “the end of summer holiday”. Have you stopped to think what Labor Day really means?

Labor Day, celebrated the first Monday in September, is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

Do you ever think about the contributions your company makes to the well-being of our country and the local community? Each one of us working together can make a difference. Enjoy your Labor Day holiday!

We are getting very excited about the SECBA Directory that will be published in the September issue of Southeast Lifestyle. You will not want to miss the September Southeast Lifestyle! Thank you to Denise and Marty for their support in making the Southeast Community Business Association directory possible in the September Southeast Lifestyle!

Hope to see you at the next meeting.
