

## APRIL 2012 NEWSLETTER

### President's Message

As I drive around the Southeast Guilford area, I see the flowers in bloom and know that Spring has arrived. Spring has just arrived and we have the Summer ahead of us, but your board has already begun plans for Fall. The annual Funfest will be October 13, so put the date on your calendar now. A tent space has been rented for our business association, so member volunteers will be needed in the tent. We will have a sign up sheet for tent times as we get closer to the event.

Based on input from the membership, your board has begun working on a new directory. There were requests to do another directory similar to the first directory the SECBA published. If you know of someone who has thought about joining, this would be a good time to join in order to get their business listed in the new directory. The goal is to have the new directory completed, so it can be available at the October 13, FunFest.

Your board is always looking for ways to bring more value to members, so we welcome suggestions.

Hope to see you at the April meeting.

Julian Milling Company sells seed, feed, garden supplies, hardware and a variety of fresh baked good, ciders, jams and jellies. He is located at 7405 Old 2<sup>nd</sup> street Julian.

## **FEATURED SPEAKER**

Mike Perdue, building superintendent and Doreen Lumpkin, guest service manager of the Greensboro Coliseum complex will speak about the Greensboro Aquatic Center.

The brand new Greensboro Aquatic Center (GAC) is a state-of-the-art facility featuring leading edge concepts in aquatic design. The GAC is located on the campus of the Greensboro Coliseum Complex, the premier sports and entertainment facility in the Southeast.

## **Scholarship Program**

It is that time of year when high school seniors start applying for scholarships. If you know of a senior in the area that has been accepted by a college or community college, encourage them to apply for the SECBA scholarship. Remember that each applicant must have a letter of recommendation from a SECBA member. This is another way that our members give back to the local community. Applications must be received by April 15. Please visit our website for complete details [www.secba.org](http://www.secba.org)

## **Phone Tree**

A SECBA phone tree has been set up as an additional way to communicate and keep our members informed. If you did not recently receive a phone tree message or you want the call to go to a different phone number, please contact Steve Blake at 336-273-0800.
