

August 2012

President's Message

By Steve Blake

The Southeast Business Association did not meet in July, but we will be back on our regular monthly meeting schedule with the August 2 meeting. There is no speaker scheduled for the August meeting. We have several items of general business to cover, including a vote on the revised by-laws. You can find the revised by-laws posted on the website at www.secba.org. The by-laws were also sent out with the July newsletter. If you would like a copy, let me know.

Work has begun on the new SEBA directory. The goal is have the directory printed and ready for distribution by late September or early October. Based on feedback from members, this directory will be similar in format to the first directory that was printed. The one change to this directory is there will be no business ads included in the directory. All members that are current with their membership dues will be included with all of their contact information in the directory.

Your SEBA Board is always looking for ways to market our membership. If you have suggestions or ideas, please share with a board member. The new directory is just one way to market the membership, so other ideas are welcomed.

I hope to see you at the August 2 meeting to be held at Forest Oaks.

Thank you,

Steve Blake, President SEBA

New Members

If you know of a business in the Southeast Community that is not currently a member of the SEBA, invite them as a guest at one of the next meetings. The SEBA is always looking to add new members.

August Meeting

Our next meeting will be Thursday Aug 2, 2012 at Forest Oaks Country Club. We begin at 6pm and dinner is \$15. Voting will take place on our by-laws. These revisions were required as part of the efforts to get our association in compliance with all government regulations. Please RSVP to blakeelectricco@bellsouth.net

Board Positions

A nominating committee will be looking for potential board members over the next couple of months. If you are interested in becoming a board member, please let one of the current board members know of this interest.

Business Cards

At the monthly meetings we have member's business cards displayed on a table for attendees to pick up. We are currently updating and restocking the supply of business cards. If you have not provided business cards in the past or recently checked on your supply of cards, plan to bring 10-12 cards to the next meeting. We would like to have all member's cards available to share. Don't forget at the next meeting to pick up member cards to keep in your file.

Making Community Businesses our Business

The mission of the Southeast Business Association is to provide a platform that encourages the growth and financial support of our local businesses. From the smallest to the largest, we will strive to endorse the businesses of the Southeast community and surrounding areas through support and interaction by working hand-in-hand with local civic groups and the community as a whole.
