President's Message

By Steve Blake

I would like to thank everyone that attended the June picnic. There were a large number of members in attendance along with several guests. It was great to see so many in attendance at the picnic.

July has arrived with very hot weather. Fourth of July celebrations and cook-outs are being planned. Do you ever stop to think what the Fourth of July really means? Do you ever stop to think what the leaders of our country did on July 4, 1776? They laid the foundation for generations after them to have freedom. The freedom has come with a price and many have given their lives protecting that freedom. We need to remember to thank all that serve in the military or have served in the military protecting our freedom. Despite all the economic challenges we have faced in the last few years, we still live in the greatest country in the world. I also believe we live in a great community. A great nation starts with the local communities doing small things to make a difference in their communities. Hope you have a fun fourth!

There will not be a general meeting in July, so our next meeting is August 2. There will be a vote on the SEBA By-laws revisions at the August 2 meeting. These revisions were required as part of the efforts to get our association in compliance with all government regulations.

Enjoy your summer!

Thank you,

Steve Blake, President SEBA

Making Community Businesses our Business

The mission of the Southeast Business Association is to provide a platform that encourages the growth and financial support of our local businesses. From the smallest to the largest, we will strive to endorse the businesses of the Southeast community and surrounding areas through support and interaction by working hand-in-hand with local civic groups and the community as a whole.
