

MAY 2012 NEWSLETTER

President's Message

We would like to welcome new member Stout Trucking. Stout Trucking has been a part of the Southeast Community since 1946.

If you have not been able to attend one of the monthly meetings this year, then you have missed some very informative speakers. The May meeting will be another very informative program. If you have a topic that you would like presented at one of the monthly meetings, please let someone on the board know about the topic. We are always looking for interesting topics and speakers for the monthly meetings.

The scholarship committee will be announcing the 2012 winner of the scholarship in the near future. We will invite the winner and parents to join us at one of the monthly meetings. This is just another way that our business group gives back to the community.

Preparation has begun on the new directory. We will keep you updated on the progress of this new directory.

Hope to see you at the May meeting.
