YOUR Membership MATTERS

Summer Is The Perfect Time To Drum Up New Business

Summer may not be the conventional season for you to be thinking about strategies for growth. It's true that people are distracted with the nicer weather and family activities throughout the summer, but that also means there is a strong potential for networking and making meaningful and lasting connections with your clients/customers.

Instead of letting summer lull you into a quiet business period, mix business with pleasure and enjoy business growth through the season.

Most of all, approach summertime with an open mind to try something new and remember to use the time for rest and relaxation, too!

Presidents Message

Greetings!

June is a fun filled month and each year it comes a little faster. Seems like we just had our annual picnic a few months ago, but I know that's not right I went shopping this weekend for door prizes!

The month also has several yearly events; Flag Day on the 14th and Father's Day and the first day of Summer share the 21st. Many of our churches and non-profits will be opening their doors for our youth this summer, we are fortunate for their services to our community.

Enjoy Summer safe travels!

Marty

**PLEASE NOTE: We do not meeting in July.
The August 6th, 6pm meeting will be held at
Forest Oaks CC with guest speaker:
Jon Hardister, Representative NC House**
